MEMBER EDUCATIONAL MEETINGS

The Member Services Division of the ASRS conducts educational meetings available to all members. Whether newly hired and wishing to learn about the benefits available, or nearing retirement and needing assistance filling out paperwork and making annuity selections, the ASRS has a meeting to assist your employees.

Group Meetings are designed for members within one year of retiring. The meeting provides information about potential monthly benefits and options, completing retirement paperwork, health insurance and return-to-work options.

Seminars are open to all members and are especially helpful to new members. The seminar provides information about the ASRS, benefits as an active, inactive and retired member, member responsibilities, retirement benefit calculations, wills and trusts and Social Security benefits.

Service Purchase Meetings are open to all members. This meeting provides information about the Service Purchase Program, the process for purchasing service, types of service available for purchase, cost calculations and payment options.

Employer Requested Meetings are also a part of the ASRS Education Program. The Member Services Division will coordinate a group meeting, seminar or service purchase meeting at an employer location for large groups of employees.

Employers requesting meetings at their location in the Phoenix area may call Frances Dyer at (602) 240-2058; Dennis Balkema in the Tucson area at (520) 239-3108, or toll-free at (800) 621-3778, extension 2058 outside the metro Phoenix and Tucson areas.
